SANFORD SPEAKS

The City of Sanford is committed to ensuring we are inclusive and accepting of all people, because the strength of our community is our diversity. Building on the national initiative to create more equitable communities, the City of Sanford's Race, Equality, Equity, and Inclusion Advisory Committee and the Sanford Museum, in partnership with the Peace and Justice Institute, are hosting community conversations to address historic harms related to race, promote equality, and build a more equitable and inclusive future for all residents. Join us!

Sanford Speaks welcomes individuals of High School age and above.
