The City of Sanford has contracted with Waters Consulting Group Inc. to conduct a national search for the Chief of Police position.

To insure the search process is inclusive and includes citizens' participation, the Consultants will be conducting a Public Forum to solicit input from the community as to the abilities, characteristics, traits, and skill sets the community would like to see in Sanford's new Chief of Police.

The Public Forum is scheduled for Wednesday, October 3, 2012 at 4PM in the City Hall Chambers, 300 N. Park Avenue.
