

Resolution No. 2846

A Resolution of the City of Sanford, Florida, amending the City's annual operating budget for the fiscal year beginning October 1, 2020 and ending September 30, 2021; providing for powers of the City Manager and general implementing administrative actions; providing for a savings provision; providing for conflicts; providing for severability and providing for an effective date.

Whereas, the Commission of the City of Sanford, Florida has adopted an annual operating budget for the fiscal year beginning October 1, 2020 and terminating on September 30, 2021 specifying certain projected revenues and expenditures for the operations of Sanford municipal government; and

Whereas, the City's budget presumes that each department generally will, to the best of their ability, maintain its expenditures within its allocated budgeted level and exercise prudence in expending funds during the course of the City's fiscal year; and

Whereas, from time-to-time circumstances and events may require that the original City budget may need revision; and

Whereas, the City Commission, in its judgment and discretion, has the authority to adjust the budget to more closely coincide with actual and expected events.

Now, therefore, be it adopted and resolved by the City Commission of the City of Sanford, Florida as follows:

operating budget for the City of Sanford for fiscal year beginning October 1, 2020 and terminating on September 30, 2021 shall remain in full force and effect. The attachment reflects contingencies relative to the potential donation of funds relative to the project relating to the multi-purpose fields located at the Mellonville Community Center. This Resolution is intended to grant the City Manager with the broadest authority to utilize the funds dedicated to that project in order to implement the project in the most seamless and effective manner.

Section 2. Implementing administrative actions.

TO: Honorable Mayor and Members of the City Commission

SUBMITTED BY: Norton N. Bonaparte Jr., City Manager
SUBJECT: Budget Amendment for the Mayfair Golf Course

STRATEGIC PRIORITIES:

- Unify Downtown & the Waterfront
- Promote the City's Distinct Culture
- Update Regulatory Framework
- Redevelop and Revitalize Disadvantaged Communities

SYNOPSIS:

Approval of Resolution No. 2846 amending the budget for unanticipated costs associated with a new permanent restroom and for a triple-wide modular temporary clubhouse for Mayfair Golf Course is requested.

FISCAL/STAFFING STATEMENT:

The additional \$100,000 requested will augment the previously approved \$150,000 and establish a new project budget of \$250,000 and will be funded from general fund reserves. The value of the City self-performed work and other fees is estimated at \$20,000.

BACKGROUND:

The City is purchasing a prefab single-stall restroom to replace a severely deteriorated restroom on the course and a triple-wide modular unit to serve as a temporary clubhouse.

The reason for the increase is a change from a double-wide unit to a triple-wide unit after it was determined that the double-wide would not be sufficient in size. It was also determined that the existing septic system for the restroom is no longer functional and needs to be replaced. The modular clubhouse unit will require electrical upgrades, utility modifications and connections, demolition of the old pool building and site preparation.
