

Resolution No. 2023-3194

A Resolution of the City of Sanford, Florida, amending the City's annual operating budget for the fiscal year beginning October 1, 2023 and ending September 30, 2024 relating to 4 lift station stationary pumps from Tradewinds Power Corp.; providing for implementing administrative actions; providing for a savings provision; providing for conflicts; providing for severability and providing for an effective date.

Whereas, the Commission of the City of Sanford, Florida has adopted an annual operating budget for the fiscal year beginning October 1, 2023 and terminating on September 30, 2024 specifying certain projected revenues and expenditures for the operations of Sanford municipal government; and

Whereas, the City's budget presumes that each department generally will, to the best of their ability, maintain its expenditures within its allocated budgeted level and exercise prudence in expending funds during the course of the City's fiscal year; and

Whereas, from time-to-time circumstances and events may require that the original City budget may need revision such as for the procurement of 4 lift station stationary pumps from Tradewinds Power Corp.; and

Whereas, the City Commission, in its judgment and discretion, has the authority to adjust the budget to more closely coincide with actual and expected events.

Now, therefore, be it adopted and resolved by the City Commission of the City of Sanford, Florida as follows:

Section 1. Adoption of Budget Amendment. 4 Lift Station Stationary Pumps; Tradewinds Power Corp.

The annual operating budget of the City of Sanford for the fiscal year beginning

October 1, 2023 and terminating on September 30, 2024 is hereby revised and amended by Attachment “A” relating to the procurement of 4 lift station stationary pumps from Tradewinds Power Corp. The Attachment is hereby incorporated into this Resolution as if fully set forth herein verbatim. Except as amended herein, the annual operating budget for the City of Sanford for fiscal year beginning October 1, 2023 and terminating on September 30, 2024 shall remain in full force and effect.

Section 2. Implementing administrative actions.

The City Manager, or designee, is hereby authorized and directed to implement the provisions of this Resolution by means of such administrative actions as may be deemed necessary and appropriate with regard to the 4 lift station stationary pumps from Tradewinds Power Corp.

Section 3. Savings.

The prior actions of the City of Sanford relating to the adoption of the City budget and pertaining to lift station stationary pumps and any and all related activities and matters, are hereby ratified and affirmed.

Section 4. Conflicts.

All resolutions or parts of resolutions in conflict with this Resolution are hereby repealed.

Section 5. Severability.

If any section, sentence, phrase, word, or portion of this Resolution is determined to be invalid, unlawful or unconstitutional, said determination shall not be held to invalidate or impair the validity, force or effect of any other section, sentence, phrase,

word, or portion of this Resolution not otherwise determined to be invalid, unlawful, or unconstitutional.

Section 6. Effective Date.

This Resolution shall become effective immediately upon enactment.

Passed and adopted this 11th day of December, 2023.

Notice of Final Award FSA23-EQU21.0: Equipment

Date: October 1, 2023

To: Bidders and Purchasers

From: Hugh Oliver, Cooperative Purchasing Program Manager

Re: Notice of Final Award for FSA23-EQU21.0: Equipment

Florida Sheriffs Association (FSA) has completed its 21st year of the cooperative purchasing equipment contract. FSA is issuing the Notice of Final Award for contract FSA23-EQU21.0: Equipment that will be effective from October 1, 2023, through September 30, 2025. This year's bid included 453 items. The contract will offer construction, material handling, transportation, all-terrain and utility vehicles, and grounds care equipment.

The competitive process for this award began in May 2023, when stakeholders were surveyed regarding procurement needs. Items were added based on survey results and the Fleet Advisory Committee's review of products.

An advertisement for the Invitation to Bid was published in the Florida Administrative Weekly, as well as the State of Florida's Office of Supplier Diversity and the FSA websites. On May 5, 2023, a direct notification was sent to 716 prospective bidders to participate in a voluntary bidder workshop. The ITB advertisement resulted in 149 pre-bid attendees or waivers. Of these respondents, 85 submitted bids and 78 qualified. FSA has identified intended awardees in the attached Final Award Report. The Final Award Report shows up to three lowest bidders per item, per zone.

The Florida Sheriffs Association Cooperative Purchasing Program has followed the Contract Terms and Conditions for this procurement. Bidders that become awarded vendors are governed by their manufacturer agreements and the Contract Terms and Conditions.

Contract pricing will be extended and guaranteed to the Florida Sheriffs Association, any unit of local government, political subdivision or agency of the State of Florida, or to other entities approved by manufacturers to buy from this contract, which can include out-of-state sales. Vendors that wish to extend contract pricing to entities other than those defined here are governed by their manufacturer's agreement. All purchasers are bound by state law, local ordinances, rules, and regulations for purchases made under this contract.

FSA22-VEL30.0 & FSA22-VEH20.0 Model Year Price Adjustment

Awarded Vendors,

The Contract Terms and Conditions allow for price adjustments due to significant changes to manufacturer production in Section 3.06. FSA is allowing awarded vendors to submit adjusted pricing for model year 2024 vehicles in conjunction with order dates published by the manufacturer or with other manufacturer documentation.

FSA is requesting vendors submit a new price per item per zone for each item currently awarded. Adjusted pricing should be submitted prior to the date the manufacturer will begin accepting orders for model year 2024 vehicles when possible. FSA will consider the request and make a final determination on the changes in price. FSA reserves the right to refuse any excess price adjustment requests.

If pricing is not available when the manufacturer begins accepting orders, purchasers can submit a letter of intent referencing the FSA Contract to an awarded vendor indicating the models and quantities of vehicles they wish to purchase. After pricing is published, purchasers can issue a purchase order to the vendor to replace the letter of intent.

If you have any questions, please contact Cooperative Purchasing Program staff at CPP@flsheriffs.org.

Thank you,

Hugh Oliver
Cooperative Purchasing Program Manager

6) Each contract page contains a contract specific Vendor Directory (see below). The directory provides the company name, if they opted-in for federal compliance, Sales/Fleet contact name, email address, and phone number. If a vendor has changed names, or been bought by another company both names will be shown in the directory.

FSA20-VEL28.0 PURSUIT, ADMINISTRATIVE, AND OTHER VEHICLES

Contract Term: October 1, 2020 – September 30, 2022

Vendor Directory

The Florida Sheriffs Association in partnership with the Florida Association of Counties and Florida Fire Chiefs Association are pleased to offer a statewide purchasing contract for pursuit, administrative and other vehicles. Our awarded vendors provide the top manufacturer names in the industry.

For details of the products and services available, use the links located below that match the item you are seeking to purchase. The bid links will take you to pages that are solely dedicated to the bid award for items and includes the supporting bid documents you made need. Follow the purchasing instructions and remember to send a copy of your purchase order the FSA Cooperative Purchasing Program at COOP@FISheriffs.org.

There are requirements for manufacturers, vendors, and purchasers within the terms and conditions (contract) that should be reviewed prior to and after the initial acquisition. These terms and conditions are written based on best practices to simplify the process for the purchase and the vendor. There are numerous options and opportunities to upgrade

Need Assistance?
Email us at cpp@flsheriffs.org or call 850-877-2165

CPP Ordering Instructions

- 7) The ["Purchaser Resources"](#) page contains a Master Directory of CPP Vendors, in addition to the contract specific directories available on each award page.
- 8) FSA can make multiple awards by zone (if applicable). The purchaser has the choice of awarded vendors. The primary vendor offers the lowest price on the base item. If adding options, you may choose to get quotes from multiple awarded vendors. If a purchaser determines that a vendor in another zone can better serve their needs, they may order from that vendor; however, vendors may charge an out-of-zone delivery fee upon mutual agreement between the vendor and the purchaser.
- 9) Once a vendor has been identified for the item you wish to purchase, contact the vendor to request a quote.
- 10) Discuss delivery dates with the vendor. If no quote is provided, be sure to discuss delivery dates prior to issuing the purchase order to the vendor.

****Note: Vendors do not have any control over production delays in schedules from the manufacturer. ****

Following the issuance of a purchase order, please send the PO to the selected vendors and the Florida Sheriffs Association at COOP@FISheriffs.org.

CPP Ordering Instructions

11) Issue and submit a purchase order (PO) to the vendor.

12) The purchase order should include:

- The awarded vendor's name and address;
- The FSA contract number and title;
- The FSA item number and item description;
- The purchaser's federal identification number;
- The purchasing point of contacts name, phone number and email address; and
- Include the following FSA FIN/FAN/Certification codes on your purchase order for the corresponding manufacturer.

Manufacturer	Code Type	FSA Code	Contact
Ford	FIN	QE065	1-800-343-5338
Stellantis	FAN	917872	1-800-999-3533
General Motors	FAN	49313	1-800-353-3867
Nissan	Certification	FSA	FleetDistribution@Nissan-usa.com
Toyota	FIN	GE159	1-800-732-2798

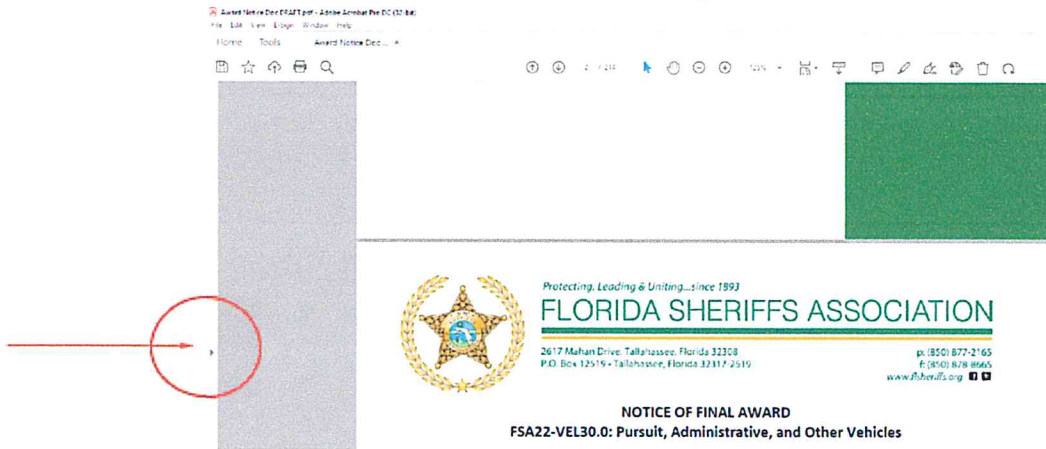

13) As a courtesy, CPP asks that purchasers submit copies of purchase orders to COOP@flsheriffs.org.

We hope you enjoy your purchasing experience with the FSA Cooperative Purchasing Program, if you need any assistance, please contact our staff at CPP@FISheriffs.org .

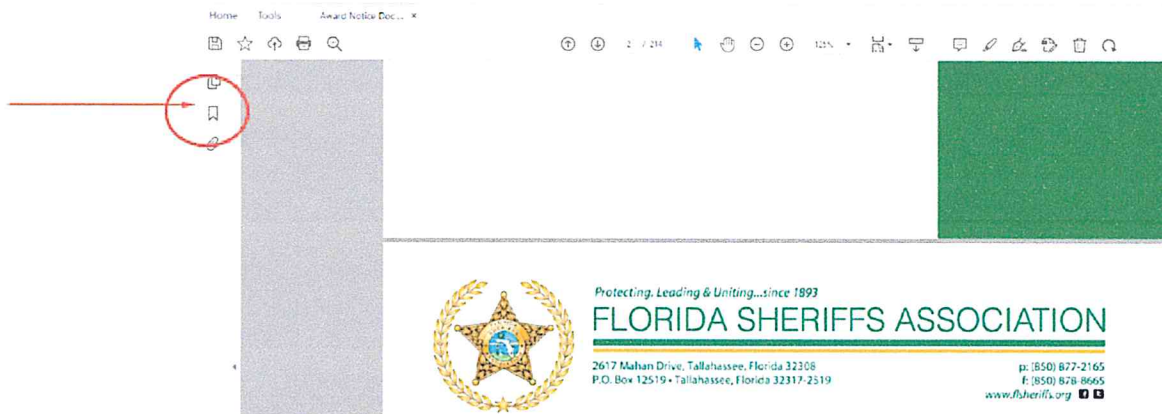

How To Navigate the Full Award Document

1. Open the Full Award Notice document in Adobe Acrobat.
2. Click on the small arrow on the left side of your screen

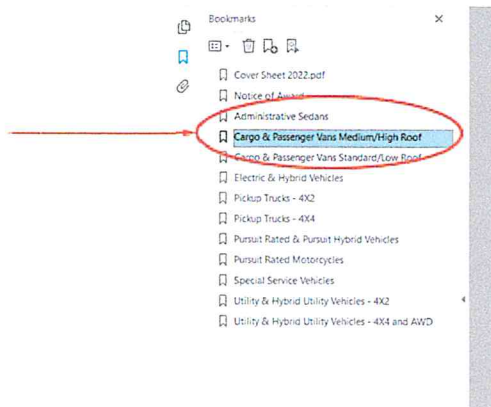

3. Click on the flag icon on the left-hand side of your screen.

4. A Table of Contents will appear to the left of your document. Select the item group that you are looking for. The document should automatically skip to the section clicked on.

CITY OF
SANFORD
FLORIDA

APPROVED

WS __ RM x

Item No. 8.I

CITY COMMISSION MEMORANDUM 23-243
DECEMBER 11, 2023 AGENDA

TO: Honorable Mayor and Members of the City Commission
PREPARED BY: Richard Casella, Utility Plants Manager
SUBMITTED BY: Norton N. Bonaparte, Jr., ICMA-CM, City Manager
SUBJECT: Budget Amendment Resolution No. 3194 and Procurement; 4 Lift Station Stationary Pumps; Tradewinds Power Corp.; \$373,692

STRATEGIC PRIORITIES:

- ☐ Unify Downtown & the Waterfront
- ☐ Promote the City's Distinct Culture
- ☐ Update Regulatory Framework
- ☐ Redevelop and Revitalize Disadvantaged Communities

SYNOPSIS:

Approval of Resolution No. 3194, amending the City budget in an amount not to exceed \$373,692.00 to increase the Utilities, Machinery and Equipment account and approval of a procurement from Tradewinds Power Corp. (Tradewinds) of Miami to provide four lift station pumps is requested.

FISCAL/STAFFING STATEMENT:

The cost of the equipment is an amount not to exceed \$373,692. Funds are available in the Capital Machinery and Equipment account.

BACKGROUND:

The Plants Division continuously works to ensure that lift stations owned by the City are pumping correctly. Use of the 6" x 4" stationary diesel pumps guarantees that City staff has access to a bypass pump in the event of a malfunctioning pump. The pumps will assist the Division in case there is a need to remove wastewater to prevent immediate danger to public health or safety. The stationary pumps will be installed in the lift stations listed below:

1. Cypress Lift Station # 2
2. Groveview Lift Station # 25
3. Idyllwilde Lift Station # 27
4. Celery Lakes Lift Station # 51

The vendor, Tradewinds, is a vendor on the Florida Sheriffs Association (FSA) Contract # FSA 23-EQU21.0 Spec # 318 and has been competitively bid. Thus, this procurement is eligible for the piggybacking of the FSA procurement activity.

LEGAL REVIEW:

No legal review requested of the City Attorney.

RECOMMENDATION:

City staff recommends that the City Commission approve Resolution No. 3194 to amend the City budget to increase the Utilities, Machinery and Equipment account and approve a procurement of four lift station pumps from Tradewinds at a cost of \$373,692.

SUGGESTED MOTION:

“I move to approve Resolution No. 3194 and approve the procurement from Tradewinds, as proposed.”

Attachments: (1). FSA20-VEH18.0 Contract.
(2). Tradewinds price quotation # AV26280Q.
(3.) Resolution No. 3194 – Budget Amendment.
