## **CITY MANAGER'S OFFICE CONTINUED**

- **Public Parking Lots**

- On Wednesday, October 11, 2023 our contractor sprayed Cyclogen (recycled agent) on some of public parking lots and the 26<sup>th</sup> Street Public Works yard to rejuvenate the aged asphalt millings, reduce the dust crated when cars drive upon them, and harden the surface. The public parking lot between the Civic Center and the library will be re-configured to add 20% more parking spaces.

- **Marina**

- The ship store has passed final inspections, and open to the boating community. The office counter and slat walls are expected to be installed next week. Founders 3 has started ordering supplies. The parking lot striping of the marina parking lots are expected to be completed on October 17, 2023.
- City staff submitted an Economic Development Public Works and Economic Adjustment Assistance Grant for the elevation of the older portions of the sea wall around Marina Isle. If approved, the grant will fund the design and re-construction of older portions of the seawall by elevating to meet current flood elevations to reduce the likelihood of
- flooding, overtopping, evacuation of the assisted living facility, and closure of businesses located on the Marina.

- **Mayfair Golf Course**

- There was a pre-bid meeting at the Mayfair Golf Course on Thursday, October 12, 2023 at 10:00 a.m. for the Clubhouse . The Competitive bidding process closes on construction of on October 27, 2023. The bid opening is scheduled on November 7, 2023, then the Committee will review the proposals.
- Irrigation work is completed, and landscape work continues on Hole # 3 (near the Main Water Plant). The sod work is expected to be completed by the week of October 20<sup>th</sup>. Hole #3 is a temporary par 3 for approximately one month until the new sod takes root.
- The Sanford Fire Department's Lieutenant Aaron Hinson conducted Cardiopulmonary Resuscitation (CPR) and Automated External Defibrillator (AED) training for all of the Mayfair staff on Tuesday, October 10, 2023. It was well-received – there is now an AED located inside the Pro Shop at Mayfair.

The CRA Board was notified that the Interlocal Agreement between the City of Sanford and the Sanford Community Redevelopment Agency has been approved by the City Commission for termination.
- A meeting took place with CRA Chairman Charles Davis, Public Works staff, and the CRA Executive Director to receive input and discuss CRA funded, alternative streetscapes projects for Downtown Sanford.
- Some available land at the Orlando Sanford International Airport has been selected as one of the top ten FPL Florida First Sites. The ED team worked with Seminole County's Economic Development Department and airport leadership to make the case by providing a collaborative presentation, as well as a tour to FPL and their consultant in becoming a FPL Florida First Site This program helps showcase sites to companies looking for optimum sites in a supportive, business-friendly location. A rigorous certification process was completed, which involves ensuring some pre-work is in place, and taking the majority of the risk out of the site selection process for businesses.
- Discussions continued with the G3 team regarding the Memorandum of Understanding (MOU) for a structured parking facility.
- Richmond Avenue continues to be an area of focus for several developers. Availability of utilities and the current roadway appears to hinder development for this area.
- Although the Magnolia Square Clock has been updated with new clock faces, mechanisms, a controller, and LED lights, it appears that the motor is bad on the west facing clock. The company making the dial framing is also the company that is sending the replacement clock motor. Replacement of the motor and dial framing should occur within the next few weeks.
- The Seminole Towne Center Mall continues to be of interest by various developers. The Economic Development team has been contacted by various developers who wish to either use a portion or the majority of the mall property.
- Participated in the "Florida's Current and Future Property Insurance Market" Webinar to discuss the status of our state's property insurance market. The plan is to follow-up with a town hall and include Representative Rachel Plakon and Commissioner Andria Herr as speakers.
- As representatives of the City, attendance occurred at the weekly Sanford Chamber of Commerce meetings, the River Council meetings, the Sanford Main Street Board Meeting (as a non-voting member), the Women's Professional Business Luncheon, the Sanford Airport Authority Monthly Board Meeting, and met with various prospective and existing business owners.
- Seminole Towne Center work related to current ownership, possible new ownership, and associated financiers.

## **ECONOMIC DEVELOPMENT/CRA CONTINUED**

- Orlando Sanford International Broker Symposium at Heathrow Country Club, 10/9/23. Very successful event, presentations and introductions made by Brady Lessard, Nicole Martz, President of Orlando Sanford International, and Paul Partyka as non-aviation Broker for Orlando Sanford International. Numerous leads were generated at the event, and are currently being worked by the Department.
- Jointly working with Orlando Sanford International technical and administrative staff to circulate and promote the revised and updated Airport Master Development Plan. A critical component of this promotion is addressing concerns the private sector continues to express related to the “lease limitation” of Federal Aviation Authority property.
- Department continues to work with the private sector in seeking opportunities to collaborate on extending utilities to the Richmond Avenue Industrial Corridor.
- Targeted Broker Outreach and Assistance continues in an effort to attract tenants and buyers that will contribute to the overall increase in ad valorem receipts.
- As the City has identified utility dependability, availability, and accuracy as a vulnerability, the Economic Development Department is assisting Utility staff on a number of initiatives.
