Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The 2021-2022 Annual Action Plan reflects the strategies and objectives identified in the HUD Choice Neighborhood Initiative Planning Grant Plan. The Strategic Plan titled Unlocking Goldsboro's Potential: A Transformation Plan to Guide Future Investments and Partnerships, is the by-product of a two year planning effort at a cost of \$950,000. Also known as the Goldsboro Transformation Plan. The Sanford Housing Authority (SHA) with the City of Sanford as co-applicant applied for the Choice Neighborhood Initiative Planning Grant in 2015 and was awarded a \$500,000 matching planning grant in June of 2016. SHA and the City of Sanford matched the CNI grant with \$450,000, of which the City of Sanford provided \$250,000 plus in-kind staff time. The Planning process took two years and involved 100's of citizens and The Goldsboro Transformation Plan was approved and adopted by the City of Sanford Commission June 25, 2018 and submitted to the Department of Housing and Urban Development June 28, 2018. The Plan identified high priority goals related to providing decent affordable housing opportunities through the homeowner occupied housing rehabilitation program, providing supportive services through public services grants that seek to create suitable living environment and maintain sustainability within the targeted areas. Sanford also seeks to create a suitable living environment by providing availability/accessibility to improved public facilities.

Annual Action Plans are developed to outline the programs and projects that will be funded and implemented each year to help meet the goals identified within the Five-Year Consolidated Plan (Strategic Plan). Annual accomplishments and grant expenditures are reported in an annual performance report completed at the end of each program year.

Serving as Sanford's application for Federal HUD Office of Community Planning and Development funding, The FY 2021-2022 One Year Plan identifies proposed projects and programs that will be funded by the Community Development Block Grant (CDBG). The FY 2021-2022 Action Plan was prepared with input from the public in accordance with federal regulations. The plan seeks to implement the goals and objectives of the Consolidated Plan to benefit low and moderate-income households and individuals in Sanford through provision of various improvements and services.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

Public services to serve 200 very low, low and moderate income individuals in daycare, early learning, training and job retention/creation

Public facilities: assist one public facility in the Goldsboro Area

Housing program assist 10 homeowners in the minor home repair program and 1 major rehab

Economic Development assist 4 small business or microenterprise in the Goldsboro Neighborhood

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

Past performances slowed due to COVID and the Governors Executive Order to close non-essential services resulting in staff being quarantine, programs closing, and City facilities closing to the public. Programs and activities are returning to some degree of normalcy. The housing programs continued at a slower pace. The public services programs were much more active as our focus was on assisting family with food, health care and PPP supplies.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

A key component of the City's CDBG Citizen's Participation Process is the CDBG Advisory Board that meets monthly. The Advisory Board consisting of six (6) individuals are appointed by the City Commission. All meetings are open to public and publically noticed. Meeting Agenda and Minutes are posted on the City website for the public. The 2021-2022 Action Plan was discussed at the December 14, 2021 CDBG Advisory Board meeting and the Agenda for the January 11, 2022 CDBG Advisory Board meeting. Notice of the 30-day public comment period and public hearing was published in the Sanford Herald December 12-14, 2021. The 30-day public comment period ran from December 13, 2021 - Thursday, January 14, 2022. A community meeting was held on January 4, 2022 in the City Commission

Chambers to receive feedback on the Plan. The 2021-2022 CDBG Action Plan was submitted to City Commission for approval at the February 14, 2022 Commission Meeting.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

There were no public comment on the Plan at the CDBG Advisory Board meetings beyond discussion by the Advisory Board. At the January 4, 2022 meeting there were several residents in attendance addition to the CDBG Advisory Board.

AP-10 Consultation – 91.100, 91.200(b), 91.215(I)

1. Introduction

The 2021 Annual Action Plan reflects the Goldsboro Transformation Plan with input from the CDBG Advisory Board and the Goldsboro Transformation Management team, Sanford Housing Authority, Goldsboro Front Porch Council and the City of Sanford. The Goldsboro Transformation Plan is the product of an open and transparent planning process involving more than 300 residents and community stakeholders and informed by lengthy face-to-face surveys of 200 community residents and former Sanford Housing Authority relocated residents. The Community came together to envision its future through seven (7) working groups that each met about 10 times; and four community-wide informational fairs that attracted over 200 residents.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

The Goldsboro Transformation Plan, Housing Working Group consisted of over 90 individuals, stakeholders, residents, citizens, organizations and housing developers, health care and legal services. The following is a partial list of private, governmental and mental health agencies that participated in the planning process. List of agencies include Sanford Housing Authority, Habitat for Humanity, Goldenrule Housing Developers, Wendover Housing Developers, Corinthian Builders, Department of Health Seminole County, League of Women Voters, Community Legal Services of Mid-Florida, Faith based organizations, Florida Housing Coalition, ACI Architects, Rescue Outreach Mission, O C Towing, CPH Engineering, and Harvest Time International.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The City of Sanford will continue membership and coordination with the Central Florida Continuum of Care, Central Florida Commission on Homelessness and Homeless Services Network of Central Florida through the participation and organization of street outreach activities in the form of public events and volunteer services in order to identify and address the current needs of homeless persons residing in Sanford. Though the City of Sanford does not receive direct funding from federally funded programs such as Emergency Solutions Grant (ESG), the Seminole County Community Services Department does provide direct funding for eligible activities to the Homeless Services Network of Central Florida to administer housing and supportive services for homeless persons residing in the City of Sanford.

The City of Sanford maintains a Homeless Task Force that meets monthly to review the homeless situation in Sanford, share what services are being provided to those experiencing homelessness in

Sanford and where the gaps are. The meetings allow the participants to conduct low level case management on individuals being services by several agencies and not registered in HMIS. The Task Force includes representatives from the Sanford Police Department, Seminole County Sheriffs Office, Seminole County Community Services, Homeless Services Network, Rescue Outreach Mission, Seminole County Public School Family Intervention Team, and a number of other direct providers of services to the homeless, this include faith based organizations providing meals and clothing to the homeless.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City of Sanford is a member of the Continuum of Care and will continue to be an active member and consult with the CoC and Homeless Services Network of Central Florida on issues addressing the needs of homeless persons in Sanford with ESG funded activities and services. The City of Sanford has a representative that sits on the Management Committee of CoC and participate in the review of proposals submitted for funding In the event that CDBG Public Services funds are either unavailable or ineligible for use, the City advocate for funding from the CoC. Consultation efforts include participation in public events sponsored by the Homeless Services Network of Central Florida, public advocacy representation on advisory boards or committees, and continued funding opportunities to supplement homeless supportive services with housing services and outreach efforts funded by the ESG program.

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction's consultations with housing, social service agencies and other entities

	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	The Goldsboro management team meets on a regular bases to review progress on Goldsboro Choice Neighborhood Transformation Plan. The goal is to submit an application to HUD's Choice Neighborhood Initiative Program for a Implementation Grant to assist with implementing the strategies in the Goldsboro Transformation Plan. The City of Sanford meet on a quarterly bases with Habitat for Humanity to review strategies and plans for development of affordable housing in the City with a special emphasis on the Goldsboro Neighborhood. Through the donation of lots from Seminole County and the City of Sanford Habitat plans on building 10-12 affordable homes for low income homebuyers in Sanford during the 2021 program year.

Identify any Agency Types not consulted and provide rationale for not consulting

Through the CNI working groups, CDBG Advisory Board, and District 2 monthly meetings all agencies and organizations that provide services in District 2 are invited to the meetings to share service they are providing to the community.

The ongoing concern in Goldsboro is the poor quality of internet and WIFI services. Conversation has taken place with internet services provider in collaboration with Seminole County. The County arrange for the internet company to present to the residents of Goldsboro and after it was determined the internet and WIFI upgrades could not be addressed through ARP funds through the County there was no follow-up with the company.

Expected Resources

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

The implementation of the Goldsboro Transformation Plan with take 10 - 15 at a cost of \$300 - 400 million. The City of Sanford has pledged the use of a substantial portion of its CDBG funds to carry out the project. The estimated cost is to address the housing, public facilities, business development, rezoning of the Goldsboro area, public transformation and public services. The City of Sanford is actively pursuing acquiring land from Sanford Housing Authority to increase recreational facilities and space in the Goldsboro. Also, the City is in negotiations with a national human services organizations to locate a facility in Goldsboro

In addition the Sanford Housing Authority has pledged its resources to rebuild affordable multi-family mixed income housing on the 49+ vacant acres they own in Goldsboro. Through a partnership with Wendover Housing Developers, the Housing Authority has broken ground on a 64 unit multi-family mixed income housing unit in Goldsboro and plan to breakground on another 80+ unit in Goldsboro by the end of 2022.

Development of affordable for-sale single family units on Sanford Housing properties

A lead agency to build a resource center that includes a certified health clinic

City is negotiating with a certified daycare provider to purchase a vacant building in the Goldsboro area and rehab it into a state of the art Daycare/Childcare center

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

Sanford Housing Authority land, approximately 7 acres is under negotiation for acquisition for expansion of recreation facilities in the Goldsboro neighborhood. This activity is consistent with the Goldsboro Transformation Plan: Encourage Community Wellness strategy. Expand and Improve recreational facilities and programs offered to residents of Goldsboro.

Also, under consideration is the use of City owned property to build a community resources center and certified health clinic. This proposed use of publically owned property is consistent with the Goldsboro Transformation Plan: Objective - Encourage Community Wellness: A full continuum of care including prevention, intervention, treatment, and after care is available in Goldsboro to improve mental health and reduce substance abuse.

Discussion

Acquisition of SHA property that is adjacent to the City's Westside Community Center for athletic fields. Also, the building of a neighborhood resource center on City owned land in Goldsboro, with supportive services supports the goals, objectives and strategies contained in the Goldsboro Transformation Plan.

AP-60 Public Housing – 91.220(h)

Introduction

The City of Sanford in Partnership with the Sanford Housing Authority and the Goldsboro Front Porch Council collaborated on the development of the Goldsboro Transformation Plan. The three entities continue to partner on moving forward with implementing the Plan for the Goldsboro Community. Goldsboro was the home of 380 of the 480 Public housing units demolished in 2012, The Sanford Housing Authority in partnership the Wendover Housing has broken ground on the redevelopment of a 64 unit multi- family mixed income housing unit in the Goldsboro area.

Actions planned during the next year to address the needs to public housing

The City will continue to work with the Housing authority to seek a HUD Choice Neighborhood Implementation grant.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

In partnership with the Sanford Housing Authority, Habitat for Humanity and Seminole County Community Services Department HOME and SHIP we will actively promote homeownership for public housing residents and seek funding to assist with down payments and etc.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

Sanford Housing Authority is not designated as troubled

Discussion

Through partnerships with the County, housing developers and SHA the City of Sanford will strongly promote, advocate and strive to take steps to bring down the cost of housing. Currently the City of Sanford is reviewing a program to Waive or postpone impact fees for affordable housing where the savings is passed along to the end user.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

As noted in the 5 Year Consolidated Plan the City of Sanford does not receive direct funding for the homeless and therefore relies heavily upon Seminole County Community Services Department, Homeless Services Network and non-profits to achieve the goals and objectives noted in our 2020-2024 Consolidated Plan.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City of Sanford has limited funding to devote to homeless services, however our housing rehabilitation program provide repairs that in some cases can and do prevent homelessness, by improving substandard housing conditions. The City of Sanford participates in the Continuum of Care and maintains a Homeless Task Force.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City of Sanford collaborates with the Homeless Services Network (HSN) Rescue Outreach Mission, Recovery House of Central Florida, and Central Florida Commission on Homelessness and other agencies to foster emergency services for the homeless

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

Due to a lack of funding, the City of Sanford does not administer any internal programs or services that provide a direct benefit to homeless persons. City of Sanford in partnership with Seminole County, local non-profit homeless services providers funded with ESG through Seminole County and Homeless Services Network address the needs of the homeless in the City of Sanford. With the addition of CARES funding the direct providers of homeless services have increased services in Sanford.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities,

foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

Due to a lack of funding, the City of Sanford does not administer any internal programs or services that provide a direct benefit to homeless persons. City of Sanford in partnership with Seminole County, local non-profit homeless services providers funded with ESG through Seminole County and Homeless Services Network address the needs of the homeless in the City of Sanford. With the addition of CARES funding the direct providers of homeless services have increased services in Sanford.

Discussion

Although the City of Sanford does not receive direct funding for homeless services , the City actively collaborate with the recipients of direct funding to advocate for services for the homeless to improve their quality of life and The City works with Seminole County, and Homeless Services Network to meet the needs of homeless families and individuals in Sanford.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

The City of Sanford has taken a couple of measures to address the barriers to affordable.

1. The City of Sanford has appointed a committee to review and suggest strategies to assist with affordable housing. The committee's creation evolved from numerous requests to the City for consideration of reducing or waiving impact fees for affordable housing. The committee is looking into a program to waive or delay payment of impact fees for affordable housing. The City also donate lots to Habitat for Humanity and other non-profit housing developers to build affordable housing for low-income homeowners
2. The City has commissioned a study to rezone the Goldsboro neighborhood to include a commercial zone to off set taxes.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The committee looking into a program to waive or delay payment of impact fees for affordable housing. The City also donate lots to Habitat for Humanity and other non-profit housing developers to build affordabel housing for low-income homeowners
2. The City has commissioned a study to rezone the Goldsboro neighborhood to include a commercial zone to off set taxes.
3. the development of a cottage home program for irregular lots. The designs of the units are free to perspective home builders.

Discussion:

What should be done to support affordable housing in addition to reducing/waiving impact fees. Is there more funding from the state or federal government to support affordable housing.

AP-85 Other Actions – 91.220(k)

Introduction:

The City of Sanford is committed to implementing the Strategies, Goals and Objectives in the Goldsboro Transformation Plan. The City committed to the use of CDBG funds to support the implementation of the Plan and fully intent to continue the partnership with the Sanford Housing Authority and Goldsboro Front Porch to realize the potential of Goldsboro and transform Goldsboro to vibrant community, with

Actions planned to address obstacles to meeting underserved needs

The Goldsboro Transformation Plan consist of three parts; People, Neighborhood and Community. The City has committed to continuing to implement the strategies in the Transformation Plan and has committed general funds to complete the rezoning of Goldsboro to comply with the recommendations in Plan. Also the City has retained a Small Business Consultant to work with the CDBG program and the City's Economic Development Department to foster growth and development for new and existing businesses in District 2.

Actions planned to foster and maintain affordable housing

The City of Sanford with continue to work with Sanford Housing Authority to ensure the redevelopment of the 480 units demolished.

The City will establish an impact fee waiver/delayed payment program for affordable housing development.

The City will continue to identify and donate lots to non-profit housing developers for development of affordable housing for low-income homeowners.

The City will complete and maintain the cottage home program that provide free house designs for irregular lots

Actions planned to reduce lead-based paint hazards

All affordable housing projects, funded by the City of Sanford will be conducted in accordance with the adopted Seminole County LBP identification and abatement standards. Seminole County requires that all contractors complete a detailed work write-up to document a lead based paint hazard risk prior to construction on any affordable housing activities:

- If the building was constructed in 1978 or after, the construction date of the unit and source of information is to be recorded on the form.
- If the building was constructed before 1978, it requires visual inspection unless one of the

following apply:

- a) No children under the age of 6 reside in the home.
- b) A previous lead based paint inspection has been conducted according to the HUD regulations and the unit was found not to have lead based paint, documentation must be attached.
- c) The property has identified and all lead based paint has been removed in accordance to HUD regulations. Documentation must be attached.
 - If the building was constructed before 1978 and does not meet any of the exemptions above, the following actions must be taken:
 - a) A brochure concerning lead based paint hazards is to be provided to the household.
 - b) The client is to be provided with a Disclosure of Information on Lead Based Paint
 - c) The home must be visually inspected. The preparer must, at a minimum, complete HUD's online visual inspection training before the inspection is conducted. The inspecting party must answer the following questions:
 - Are interior painted surfaces free from deteriorated paint?
 - Are the exterior painted surfaces free from deteriorated paint?
 - Will any paint be disturbed during rehabilitation?

In accordance with the HUD Lead-Based Paint Regulation (24 CFR Part 35), rehabilitation work on housing built before 1978 that is financially assisted by the Federal government is subject to requirements that will control lead-based paint hazards. At the very least, Seminole County will test and repair any painted surface that is disturbed during the work. The County may stabilize deteriorated paint, which includes the correction of moisture leaks or other obvious causes of paint deterioration. Clearance examination will be conducted following most work activities to ensure that the work has been completed; that dust, paint chips and other debris have been satisfactorily cleaned up; and that dust lead hazards are not left behind. As necessary, a risk assessment will be done to identify lead-based paint hazards, perform interim control measures to eliminate any hazards that are identified or, in lieu of a risk assessment, perform standard treatments throughout a unit. The type and amount of Federal assistance and rehabilitation hard costs for the unit will determine the level of lead hazard reduction that will be completed.

Actions to address LBP hazards and increase access to housing without lead based paint hazards include:

- Ensure contractors completing work write-up on housing units are certified to complete the proper testing

- When selecting homes for rehabilitation/resale, give priority to homes that were constructed after 1978
- Coordinate with the local health department to maintain statistics on housing units identified to contain lead based paint

Actions planned to reduce the number of poverty-level families

The University of Central Florida Department of Public Administration, in partnership with the Seminole County Health Department, completed a detailed analysis of the characteristics of distressed neighborhoods in the City of Sanford. The City is currently in the process of implementing actions to alleviate the poverty in the identified neighborhoods. Some examples of actions being taken to reduce the number of poverty-level families include:

- Providing job training to youth and unemployed
- Working with the Sanford Housing Authority for planning future housing development for very-low and low-income families who suffered from the loss of existing public housing in 2011
- Working with the local Chamber of Commerce to discuss potential opportunities for economic growth throughout these neighborhoods
- Through the collaboration with the Sanford Chamber of Commerce the Goldsboro Front Porch Council, Inc. has received the designation of a Main Street project.
- Working with Habitat for Humanity to design a "Fix-up" program
- The City of Sanford has been designated a "My Brother's Keeper" Community targeting services for young men of color.

The City of Sanford has placed a priority on youth services, particularly those that provide mentoring and employment skills training and leadership development.

Referral services to programs that promote employment, and skills training for individuals and households in poverty.

Actions planned to develop institutional structure

The Goldsboro Transformation Plan is very thorough and included participation from a variety of institutional organizations and agencies in the planning process. Those organizations and agencies continue to work in the Goldsboro area providing services. A good example of a partnership is Habitat for Humanity a member of the Transformation Planning process has committed to building 12-15 affordable for-sale single family house in the Goldsboro neighborhood over the next 18 months.

Actions planned to enhance coordination between public and private housing and social service agencies

The Goldsboro Transformation planning groups continues to meet and assess progress made and challenges taht need to be addressed. Also, the Commissioner of District continue to conduct his monthly meetings that include the County Community Services, Seminole County Public Schools, Health Department of seminole County, etc.

Discussion:

The many housing, public services and infrastructure needs of Goldsboro is an ongoing concern for the City and addressed on a regular bases.
