

**City of Sanford
City Manager's Monthly Update
August 2024**

CITY MANAGER'S OFFICE

- Along with Mayor Woodruff attended Unity Youth Association's Summer Learning Program Culmination program.
- Participated in a meeting with representatives from Seminole County government, Seminole County municipalities and various social service organizations to discuss the new legislation passed by Florida Legislature prohibiting Florida counties and cities from allowing individuals from engaging in "Public Camping and Sleeping" on public property.
- Had conversation with Jake Varn regarding City's actions pertaining to the 1,4 Dioxane issue.
- Met with Seminole County Commission Chairman Jay Zembower to discuss the Habitat for Humanity housing project in Sanford.
- Attended Seminole County Chamber State of Our Schools luncheon.
- Attended August meeting of Seminole County Mayors and Managers.
- Attended Sanford Chamber of Commerce meeting where Seminole County Commission District 5 Commissioner Andria Herr was the speaker.
- Attended and spoke at Police Swearing In Ceremony
- Along with Commissioner Kerry Wiggins attended Habitat for Humanity's open house for their Leadership Point project.
- Met with Seminole County School Superintendent to discuss the City and School District's My Brother's Keeper program.
- Attended City Employee and Family Bowling Night.
- Attended Welcome Reception for Leadership Seminole Class 34: Human Resources and Risk Management Director Sharon Kraynik and Public Works and Utilities Director Brynt Johnson are class members.
- Attend virtual public meeting along with Mayor Woodruff and other City representatives of the Florida Department of Environmental Protection regarding the City being awarded State Revolving Funds to assist our Utilities operations.
- **Marina**
 - The roof replacement on the dry storage building has been completed.
 - We only received one (1) proposal for the Marina design services Request for Qualifications. Due to Federal Emergency Management Agency's (FEMA) federal procurements requirements, reimbursement requires at least two (2) proposals. We plan to go back out to bid next week for 30 days.

CITY MANAGER'S OFFICE (continued)

- **Mayfair Clubhouse**
 - City staff and ZHA, our owner's representative, are finalizing the Guaranteed Maximum Price (GMP) with Wharton-Smith. It is anticipated to bring the GMP to the August 26th City Commission meeting for consideration.
- **William Clark Court Property (Ball fields)**
 - The 1st Amendment to Contract for Sale of Real Estate will expire on August 9, 2024. A 2nd Amendment Contract for Sale of Real Estate has been prepared and will be on the Commission's August 26th meeting for consideration. We are hopeful a closing will occur by the end of October 2024.

COMMUNITY RELATIONS & NEIGHBORHOOD ENGAGEMENT

- **Community Relations & Neighborhood Engagement (CRANE)**
 - Attended the State of the Schools event in Lake Mary.
 - Attended HP1365 Anti-camping meeting at the Sheriff's office.
 - Assisted District 1 Commissioner with set-up for Back-to-School Event for teachers and stopped by the event.
 - Stopped by the Action Church Back to School event.
 - Attended the Diversity, Equity and Inclusion (DEI) training.
 - Attended the Central Florida Commission on Homelessness managing board meeting in Orlando.
 - Participated in the virtual Central Florida Commission on Homelessness Leadership Council meeting.
 - Participated in the Continuum of Care Builds Notice of Funding Opportunity virtual meeting.
 - Attended the LIHEAP outreach event at the Dr. Velma H. Williams Community Center.
 - Attended the virtual Sanford Housing Authority meeting.
 - Attended the Community Redevelopment Agency meeting to request the board not approve "Bridge to Freedom" sculpture.
 - Attended the MBK Teen summit.
 - Attended the Sanford Housing Authority virtual meeting.
- **Community Development Block Grant (CDBG)**
 - The Annual Action Plan was submitted 25 days early.
 - Received eight (8) Public Services applications.
 - Permits are being pulled for Minor Home Repair properties.
 - New housing & rehab bid has been submitted.

 - Assisted 60 households with home energy assistance.
 - Assisted 73 households with crisis home energy assistance.
 - Completed one home visit to a disabled senior citizen
 - Held an outreach event at the Dr. Velma H. Williams Community Center. Mr. Philpot from Duke Enger gave a presentation on energy conservation. Twenty-five applicants were seen by LIHEAP staff and given an appointment within the next two days to bring in paperwork.

COMMUNITY RELATIONS & NEIGHBORHOOD ENGAGEMENT (continued)

- **My Brother's Keeper (MBK)**
 - Eleven (11) MBK students toured the Harry T. & Harriett V. Moore Cultural Complex, Inc. in Mims.
 - Three (30) MBK students went on a college tour and cultural experience with Westside Mentoring group to Savannah GA
 - Held a teen summit at the Dr. Velma H. Williams Community Center.
 - Six (6) MBK students took a civil rights trip to Salem, Montgomery and Birmingham Alabama along with 12 Senior citizens from the Westside Senior's program. Four (4) of the MBK students experienced flying for the first time.
 - Five (5) MBK students participated in the Shop with the Sheriff back to school event. Students were given the opportunity to shop at Walmart for school related supplies with a \$125 budget.
- **Race, Equality, Equity and Inclusion (REEI)**
 - Prepared a letter to the Public Arts Commission requesting that they revisit the "Bridge to Freedom" sculpture and look for a sculpture that represents Sanford diverse culture.
 - Co-Chairs attended the Community Redevelopment Agency meeting with a request to the board to not fund the "Bridge to Freedom" sculpture.
 - Members participated in the Sunset at the Zoo Black and African American Heritage Celebration.

ECONOMIC DEVELOPMENT/COMMUNITY REDEVELOPMENT AGENCY (CRA)

- On Monday, July 22, 2024, a Joint Work Session between the City Commission and the Sanford Community Redevelopment Agency (CRA). Clarification of CRA recurring expenses occurred, as the CRA will be sunseting on December 31, 2025, and questions addressed regarding the various expenditures.
- On Wednesday, August 7, 2024, the Sanford CRA held their board meeting. The following action items approved at said meeting. Veterans Memorial Park Historical Signage, Pressure Washing of Downtown Area Sidewalks along First Street from French Avenue to Sanford Avenue and along Sanford Avenue from First Street to Sixth Street, and a prominent bronze art sculpture called, "A Bridge to the Future". The new Veterans Memorial Park signs include eight 32" x 22: gel coat laminate panels, matte finish with 1/2-inch radius corners, and double pedestal exhibit bases. Posts with welded mounting plates are included for attachment of the panels. In addition to the pressure washing of the downtown area sidewalks, the benches and trash receptacles along these areas will be pressure washed as well. The pressure washing will take approximately twenty (20) days to complete with a six-person crew. The Public Art Commission (PAC) presented the prominent bronze art sculpture item. Members of the Race, Equality, Equity, and Inclusion Committee were present as well to share their thoughts. Chairman Davis gave an option to continue the item, but the PAC proceeded with their request for approval. All the action items mentioned received unanimous CRA Board approval.

ECONOMIC DEVELOPMENT/COMMUNITY REDEVELOPMENT AGENCY (CRA)
(continued)

- The Economic Development/CRA team continues to work with the business community and building owners on various efforts. A tour and meeting took place with one of the owners of the 101 East First Street property and discussion ensued about the needed utility connection for the site to have the necessary coverage of utilities. Owner has received quotes to review from various contractors to perform this work. We are also working with a well-known fabrication company who is interested in possibly locating to the City of Sanford who needs an approximate 130,000 square foot building with parking for two-hundred vehicles. In addition, a tour and meeting took place with the Nations team where we discussed potential tenant(s), and an estimated timeline for shell completion.
- A permit exemption from the St. John's River Water Management District for streetscapes improvements along Park Avenue, Oak Avenue, and Commercial Avenue is in place. We are in the process of working on a permit exemption for the proposed streetscape improvements along Second Street.
- The Florida Department of Environmental Protection's Office of Greenways and Trails Council will hold their State Council Meeting at the Sanford Civic Center on Wednesday, September 25, 2024 and Thursday, September 26, 2024. The Council will vote on the City of Sanford's request to become a Trail Town Designation as one of their items. Staff from the City of Sanford will lead the presentation at the meeting, in partnership and as part of the Trail Town Cuties Committee. Other Committee Members will attend as well.
- Successful termination of the Developer Agreement with Sanford Waterfront Partners with a favorable fiscal impact to the City.
- Airport proposals for development continue to increase. Department goals being exceeded.
- Significant efforts are being made to ensure that the new ownership of Seminole Town Center Mall closes in 2024. Department target for capital influx: \$200m.
- On August 13, 2024, as a member of the CRA Coalition, participated in the "We're Back! Redevelopment Visionaries" session and will be holding monthly meetings. The vision of these meetings involves connectivity, shared resources, and expanding the economic and redevelopment base.
- The RiverWalk Animal Hospital, located at 209 Commercial Street, continues to finish the site improvements and plans to be open very shortly.
- Pierogi Brothers is locating into the former Best Fish and Chicken Wings building. They plan to open their doors towards the end of the year and are will move their restaurant from the Juno Beach area.

PUBLIC WORKS AND UTILITIES

- The Georgetown Project Phase 1 construction continues with additional water-line replacement added to the project.
- The Georgetown Project Phase 2 project is in design. CPH worked with staff to get an SRF loan for approximately \$17 million submitted, the last week of June, for construction at the recommendation of Raftelis.
- The Washington Avenue - Randolph Avenue – Mellonville Avenue drainage improvements is under construction.
- The Aero Lane and 5th Street roadway and drainage improvements were approved for Oelrich Construction by City Commission. Finance has decided that the project must go back out to bid. It went out to bid at the end of last year and received no bids.
- The Trailhead Restroom has been set. FPL (Florida Power & Light) is due to complete the electrical improvements for service in late July.

PUBLIC WORKS AND UTILITIES (continued)

- The Artisan Square Restroom will be installed on July 9th. Leesburg Concrete is working with a crane operating service for delivery. This will require closing 1st Street in that area for several hours to unload all the panels.
- The roofing contractor has substantially completed installing the new City Hall roof. There appear to be some leaks that still need to be addressed.
- The old 14th Street Utility Building (Fire Station) has been demolished and the contractor is waiting for the building permit to be issued to start construction on the new building.
- We are unable to get bids on the Mellonville Ave & Celery Ave. intersection improvements project. We are looking at using a CMAR (Construction Management At Risk) to manage the construction.
- We have been awarded a grant to clean up the brownfield on the Fulton Street parcel where the future Public Works Emergency Operations Building will be constructed. Staff is working with the EPA (U.S. Environmental Protection Agency) regional representative to complete the paperwork.
- We are working with the EDA (U.S. Economic Development Administration) for two grants related to the Marina. One will allow us to purchase 3000 feet of Tiger Dam and the other will allow us to replace the seawall on approximately 60% of the Marina. Things appear to be going well as we have passed the Environmental Review portion of the process.
- Citywide resurfacing is underway. We have completed 8.3 Lane Miles of roadway so far.
- Paving in Washington Oaks subdivision is complete.
- Scheduling of additional resurfacing with Middlesex Paving is progressing.
- Scheduling of Sidewalk Repairs is ongoing city-wide.
- Twenty-Five ROW (Right-of-Way) permits have been reviewed and responded to.
- Scheduling a new sidewalk to be constructed on Country Club Road between Hardy Avenue and Our Father's Table.
- Eight speed humps have been constructed in the San Lanta subdivision.
- Over 50 Driveway Pre-pour and final inspections are in progress.
- Continued assisting I.T. Department with installing cameras at Coastline Park
- Assisted in 4 special events.

- Currently working on a preliminary lead and copper water service line inventory under the Environmental Protection Agency's (EPA) Lead and Copper Rule (LCR). The preliminary inventory will be submitted to the (FDEP) Florida Department of Environmental Protection will be submitted in October. Any homes that were constructed before 1973 will be listed as unknown service material type. We are required to post this inventory annually. We are inventorying the unknown service material types as water meters are being exchanged.
- Concorde Subdivision Phase 2 has Florida Department of Environmental Protection (FDEP) sewer clearance and Certificate of Completion of utilities work.
- Belair Park should have their Certificate of Completion in December 2024 / January 2025.
- Utilities and Planning are coordinating with Seminole County Building Department for approval of city water and sewer services.
- Continued installation of pedestals on 1B of the vacuum sewer system.
- Replaced the submersible pump base plates, risers, piping, check valves and gate valves at the Celery Lakes Lift Station.
- Purchased and received five (5) new submersible pumps at a cost of \$123,670.00 which will serve as "spares" for the latest eight (8) lift stations that the City has taken ownership of
- Drained, cleaned and had the North Ground Storage Tank (NGST) at Water Plant #1 inspected per FDEP requirements for the second of three Ground Storage Tanks (GST).
- Oregon Well-we replaced the electrical panel, re-ran new wires, and added a disconnect.
- Oregon Well #5 has been rehabilitated.
- Awarded Lift Station & Vacuum Pit Conversions Project to Cathcart.

PUBLIC WORKS AND UTILITIES (continued)

- Awarded North Wastewater Reclamation Facility (NWRf) IFAS Instrumentation Project to CL2 Solutions.
- Processed a Piggyback Agreement (PBA) & requisition to Utility Service to get the Main Water Plant GST's pressure washed.
- Removed accumulated material from Train A in the NWRf IFAS Basins
- Processed a PBA & requisition to Miller Electric to upgrade the NWRf security cameras.
- Received purchase order to repair 5 of the City's generators:
 - River Run L/S (lift station)
 - Carriage Cove L/S (lift station)
 - Oregon Well # 1
 - Hidden Lakes # 7
 - Auxiliary Plant
- Arminius Engineering consultant is assessing the NWRf (North Wastewater Reclamation Facility) deficiencies.
- Installed Disc Tertiary Filtration System online.
- Submitted bid to Retrofit One Traveling Bridge Sand Filter to Cloth Media Filter.
- Submitted bid for the NWRf Gravity Belt Thickeners Rehabilitation & the SWRC (South Water Resource Center) Belt Press Rehabilitation.
- Replace the plug and check valves on the SWRC Master lift station Pump #3.
- Pre-con meeting for the Downtown Lift Station & Vacuum Pit Conversions project.
- Submitted selection form to hire 2 Water Plant Operators.
- Began the demo of the old Main Water Plant.
- Construction meeting with Eau Gaille to install electrical switchgear at SWRC.
- Filter pump repair and thickener complete at the North Plant.
- Ordered two-amp Breakers and a 200-amp Breaker for the North Plant Distribution Building.
- Installed 3 new generators at the following locations:
 - Wynwood
 - Bakers Crossing
 - Celery Key
- Preconstruction meeting for the Downtown Lift Station & Vacuum Pit Conversion Project.
- Repaired 4 City generators:
 - Hidden Lakes Well # 7
 - Carriage Cove L/S
 - Placid Lakes L/S
 - River Run L/S
- Submitted paperwork for bid for SWRC Bar Screens and Conveyor Replacement.
- Started the process to meet with vendors to change all Wastewater and Lift Stations remote sites from radio to cell phone service.
- Cross-training program for the Waste and Wastewater Operators was implemented.
- Pressured washed 2 of the Ground Storage Tanks at the Main Water Plant.
- Procured a spare Sampler for the Wastewater Plants.

PUBLIC WORKS AND UTILITIES (continued)

- Processed a requisition to Miller Electric to upgrade the South Plant security cameras.
- Installed new security cameras at the Auxiliary Water Plant.
- Processed a requisition to procure a Polaris ATV to be utilized at Site 10.
- Performed the yearly Preventive Maintenance Inspections (PMI) for the NWRF Generators.
- Replaced the SWRC Gate operating system.
- Processed a requisition to ODP the pumps and miscellaneous hardware and materials. for the Downtown Lift Station & Vacuum Pit Conversions project.
- Installed a 6' fence at the Bakers Crossing Lift Station.
- Hired a Water Plant Operator.
- Repaired one of the Vacuum Station pumps.
- The South Plant Master Lift Station pump is repaired.
- Installed 1 of 4 Spray System on the NWRF(North Wastewater Reclamation Facility) IFAS Basins.
- Paved the front entrance of the NWRF.
- Meet with vendor Tetra Tech (an engineering consultant) to design and bid the North Plant's Gravity Sand Filter to Cloth Media.
- Replaced the North Plant Distribution pump #5.
- Replaced all 3 master Lift Station Variable Frequency Drives.
- Started the Lift Station beautification projects at the following locations:
 - Hunt
 - Wynwood
 - Mayfair Meadows
 - Country Club
- Replaced 2 commercial 10-ton A/C units at the main Electrical Room and the South Plant.
- Repaired 2 submersible pumps for the Monroe Meadows Lift Station.

HUMAN RESOURCES & RISK MANAGEMENT

- **Risk Management:**
 - Workers Compensation Claims: 6
 - Liability Claims: 9
 - Auto Claims: 2
 - Mediations: 1
 - Coordinate Safety Committee Meeting: 1
 - Special Events Committee Meetings: 1
 - Recoveries: \$6,050.27
 - Participation in Various Litigated Files.
 - Multiple conversations and meetings with the Trial Attorney on various matters.
- **Recruitment and Employment:**
 - Job Postings: 2
 - Applicants: 27
 - New Hires: 9
 - Promotions: 2
 - New Hire Incentives: 7
 - New Hire Incentives Paid: \$34,293.20
 - New FML cases 6
- **Benefits, Wellness and Records Administration**
 - Coordination of monthly Corebridge (457) meetings - 1
 - New hires benefits processing - 9
 - Coordinated New Hire Orientation (comprehensive session about 6 hours each) - 1
 - Completed Bentek implementation of New Hire and Qualifying Event modules. Working on Payroll Integration.
 - Responded to multiple Verifications of Employment.
 - Responded to multiple Public Records Requests.
 - Processed 175 change in status forms.
 - Off-boarded 1 retirees.
 - Off-boarded 6 terminating employees.
 - Processed 5 Wellness Reimbursements.
 - Processed 1 Health Reimbursement Account Deductible Refund Checks
 - Processed DROP paperwork – 1.
 - Coordinated Employee Family Bowling Night for 70 employees and their families.
 - Coordinated Sams Club Membership Drives – 2
 - Processed Wellness logs checks – 108
- **Training**
 - Coordinated full week of Diversity, Equity and Inclusion Training. (Trained over 100 people).
