

Resolution No. 2025-3368

A Resolution of the City of Sanford, Florida, amending the City's annual operating budget for the fiscal year beginning October 1, 2024, and ending September 30, 2025 relating to the fire hydrant maintenance, repair, and replacement from R & M Service Solutions, LLC; providing for implementing administrative actions; providing for a savings provision; providing for conflicts; providing for severability and providing for an effective date.

Whereas, the Commission of the City of Sanford, Florida has adopted an annual operating budget for the fiscal year beginning October 1, 2024, and terminating on September 30, 2025, specifying certain projected revenues and expenditures for the operations of Sanford municipal government; and

Whereas, the City's budget presumes that each department generally will, to the best of their ability, maintain its expenditures within its allocated budgeted level and exercise prudence in expending funds during the course of the City's fiscal year; and

Whereas, from time-to-time circumstances and events may require that the original City budget may need revision such as with regard to fire hydrant maintenance, repair, and replacement purchases from R & M Service Solutions, LLC; and

Whereas, the City Commission, in its judgment and discretion, has the authority to adjust the budget to more closely coincide with actual and expected events.

Now, therefore, be it adopted and resolved by the City Commission of the City of Sanford, Florida as follows:

Section 1. Adoption Of Budget Amendment; fire hydrant maintenance, repair, and replacement purchases from R & M Service Solutions, LLC Incorporated Services. The annual operating budget of the City of Sanford for the fiscal year beginning October 1, 2024, and terminating on September 30, 2025, is

hereby revised and amended by Attachment "A" to fund fire hydrant maintenance, repair, and replacement purchases from R & M Service Solutions, LLC. The Attachment is hereby incorporated into this Resolution as if fully set forth herein verbatim. Except as amended herein, the annual operating budget for the City of Sanford for fiscal year beginning October 1, 2024, and terminating on September 30, 2025, shall remain in full force and effect.

Section 2. Implementing Administrative Actions. The City Manager, or designee, is hereby authorized and directed to implement the provisions of this Resolution by means of such administrative actions as may be deemed necessary and appropriate.

Section 3. Savings. The prior actions of the City of Sanford relating to the adoption of the City budget and related activities are hereby ratified and affirmed to include the actions relative to fire hydrant maintenance, repair, and replacement purchases from or provided by R & M Service Solutions, LLC.

Section 4. Conflicts. All resolutions or parts of resolutions in conflict with this Resolution are hereby repealed.

Section 5. Severability. If any section, sentence, phrase, word, or portion of this Resolution is determined to be invalid, unlawful or unconstitutional, said determination shall not be held to invalidate or impair the validity, force or effect of any other section, sentence, phrase, word, or portion of this Resolution not otherwise determined to be invalid, unlawful, or unconstitutional.

SECTION 11.0 – PUBLIC RECORDS

11.1 Pursuant to applicable Florida law, the Contractor's records associated with the Agreement hereunder may be subject to Florida's public records laws, Section 119.01, F.S., et seq, as amended from time to time. The Contractor agrees to comply with Florida's public records law by keeping and maintaining public records required by the Town in order to perform the Services. Upon request from the Town's Custodian of Public Records, the Contractor shall provide the Town with copies of or allow access to the requested public records at a cost that does not exceed the cost provided for under Chapter 119, Florida Statutes, or as otherwise provided for by Florida law. The Contractor shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not

disclosed excepts as authorized by law for the duration of the term of the Agreement and following completion of the Agreement if the Contractor does not transfer the records to the Town. Upon completion of the Agreement the Contractor shall transfer, at no cost, to the Town all public records in possession of the Contractor or keep and maintain all public records required by the Town to perform the Services. If the Contractor transfers all public records to the Town upon completion of the Agreement, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the Agreement, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Town, upon request from the Town's custodian of public records, in a format that is compatible with the information technology systems of the Town.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE TOWN'S CUSTODIAN OF PUBLIC RECORDS TRISH SHINKLE, TOWN CLERK, AT 501 BAY ISLES ROAD, LONGBOAT KEY, FLORIDA 34228, (941) 316-1999, TSHINKLE@LONGBOATKEY.ORG.

SECTION 12.0 – PROHIBITION FOR CONTINGENT FEES

12.1 The Contractor warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Contractor to solicit or secure this Agreement and that Contractor has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the Contractor any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this agreement." For the breach or violation of this provision, the agency shall have the right to terminate the agreement without liability and, at its discretion, to deduct from the Agreement price, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

SECTION 13.0 – STANDARD OF CARE

13.1 The Contractor represents to the Town that it has the personnel and experience necessary to perform all Services in a professional and workmanlike manner.

13.2 The Contractor shall exercise the same degree of care, skill, and diligence in the performance of the Services as provided by a professional of like experience, knowledge and resources, under similar circumstances.

13.3 The Contractor shall, at no additional cost to the Town, re-perform all those Services which fails to satisfy the foregoing standard of care or which otherwise fail to meet the requirements of this Agreement.

13.4 The Contractor warrants that all Services shall be performed by skilled and competent personnel to the professional standards in the field.

SECTION 14.0 - INDEPENDENT CONTRACTOR

14.1 The Contractor undertakes performance of the Services as an independent contractor and will be wholly responsible for the methods of performance.

14.2 The Contractor shall not pledge the Town's credit or make the Town a guarantor of payment or surety for any contract, debt, obligation, judgment, lien or any form of indebtedness. The Contractor shall have no right to speak for or bind the Town in any manner.

SECTION 15.0 - SUBCONTRACTORS

15.1 The Town reserves the right to accept the use of a subcontractor or to reject the selection of a particular subcontractor and to inspect all facilities of any subcontractor.

15.2 If a subcontractor fails to perform or make progress in providing any of the Services, as required by this Agreement, and the Contractor determines it is necessary to replace the subcontractor to complete any services in a timely fashion, then the Contractor shall promptly do so, subject to the Town's right to approve the new subcontractor. The failure of a subcontractor to timely or properly perform any of its obligations to the Contractor shall not relieve the Contractor of its obligations to the Town under this Agreement.

SECTION 16.0 - FORCE MAJEURE

16.1 The Contractor shall be temporarily excused from performance if an Event of Force Majeure directly or indirectly causes its nonperformance. An "Event of Force Majeure": shall mean any event which results in the prevention or delay of performance by a party of its obligations under this Agreement and which is beyond the reasonable control of the nonperforming party. It includes, but is not limited to fire, flood, earthquake, storm, lightning, epidemic, war, riot, civil disturbance, sabotage, and governmental actions. Within five (5) days after the occurrence of an Event of Force Majeure, the Contractor shall deliver written notice to the Town describing the event in reasonably sufficient detail and how the event has precluded the Contractor from performing its obligations hereunder. The Contractor's obligations, so far as those obligations are affected by the Event of Force Majeure, shall be temporarily suspended during, but no longer than, the continuance of the Event of Force Majeure and for a reasonable time thereafter as may be required for the Contractor to return to normal business operations. If excused from performing any obligations under this Agreement due to the occurrence of an Event of Force Majeure, the Contractor shall promptly, diligently, and in good faith take all reasonable action required for it to be able to commence or resume performance of its obligations under this Agreement. During any such time period the Contractor shall keep the Town duly notified of all such actions required for it to be able to commence or resume performance of its obligations under this Agreement.

SECTION 17.0 – FEDERAL AND STATE TAXES

17.1 The Town is exempt from Federal Tax and State Sales and Use Taxes. Upon request, the Town will provide an exemption certificate to the Contractor. The Contractor shall not be exempted from paying sales tax to its suppliers for materials to fulfill contractual obligations with the Town, nor shall the Contractor be authorized to use the Town's Tax Exemption Number in securing such materials.

SECTION 18.0 – TOWN RESPONSIBILITIES

18.1 The Town shall be responsible for providing access to all Town project sites, and providing information in the Town's possession that the Contractor may reasonably require to perform the Services including existing reports, studies, financial information, and other relevant data that are available in the files of the Town.

SECTION 19.0 - NON-DISCRIMINATION

19.1 The Contractor warrants and represents that all of its employees are treated equally during employment without regard to race, color, religion, gender, age or national origin.

SECTION 20.0 - ACCESS AND AUDITS

20.1 The Contractor shall maintain adequate records to justify all charges and costs incurred in performing the Services for at least three (3) years after completion of this Agreement. The Town shall have access to all books, records, and documents that the Contractor must maintain in accordance with this Section 18 for the purpose of inspection or audit during the Contractor's normal business hours at its usual place of business.

20.2 If the Town determines that the Town has overpaid the Contractor because the Contractor has misrepresented its billable item(s) or reimbursable expenses, the Contractor shall deliver the full amount of any overpayment to the Town. If the Town incurs any fees, costs or expenses to recover the overpayment amount including, but not limited to, administrative accounting and attorneys' fees, costs and expenses, then the Contractor must pay the Town the full amount of the same as such fees, costs and expenses come due.

20.3 If the Town determines that the Contractor has under billed the Town because the Contractor has miscalculated any reimbursable items or rates after submitting the invoice in accordance with Section 2 of this Agreement, then the Contractor waives any claim for additional payment for those services or reimbursable items.

20.4 All invoices submitted to the Town pursuant to this Agreement are subject to audit and demand for refund of overpayment for a time period extending three (3) years beyond the expiration or earlier termination of this Agreement.

SECTION 21.0 – OWNERSHIP OF DOCUMENTS

21.1 The Contractor shall be required to cooperate with other Town Contractors and shall timely provide those Contractors any information requested in the specified format. Any and all documents, records, disks, original drawings, or other information shall become property of the Town for its use and/or distribution as the Town may determine in its sole discretion. The Contractor is not liable for any damages, injury or costs associated with the Town's use or distribution of these documents for purposes other than those originally intended by the Contractor.

SECTION 22.0 - KEY PERSONNEL

22.1 The Contractor shall notify the Town in the event of any key personnel changes, which may affect this Agreement. To the extent possible, notification shall be made at least ten (10) days prior to any proposed changes. The Contractor shall at the Town's request, remove without consequence to the Town any subContractor or employee of the Contractor and replace the same with an appropriate substitute having the required skill and experience necessary to perform the Services in accordance with this Agreement requirements. The Town has the right and discretion to reject proposed changes in key personnel.

Any agreement, verbal or written, the Town may make in violation of this fiscal limitation is null and void, and no money may be paid on such agreement. The Town may enter into agreements whose duration exceeds one (1) year; however, any such agreement shall be executory only for the value of the services to be rendered which the Town agrees to pay as allocated in its annual budget for each succeeding fiscal year. Accordingly, the Town's performance and obligation to pay the Contractor under this Agreement is contingent upon an annual appropriation being made for that purpose.

SECTION 24.0 - LIMITATION OF LIABILITY

24.1 IN NO EVENT, SHALL THE TOWN BE LIABLE TO THE CONTRACTOR FOR INDIRECT,

INCIDENTAL, CONSEQUENTIAL, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGES OF ANY KIND OR NATURE, INCLUDING LOSS OF PROFIT, WHETHER FORESEEABLE OR NOT, ARISING OUT OF OR RESULTING FROM THE NONPERFORMANCE OR BREACH OF THIS AGREEMENT BY THE TOWN WHETHER BASED IN CONTRACT, COMMON LAW, WARRANTY TORT, STRICT LIABILITY, CONTRIBUTION, INDEMNITY OR OTHERWISE.

SECTION 25.0 - DEFAULT AND REMEDY

25.1 If the Contractor materially defaults in its obligations under this Agreement and fails to cure the same within five (5) days after the date the Contractor receives written notice of the default from the Town, then the Town shall have the right to (i) immediately terminate this Agreement by delivering written notice to the Contractor, and (ii) pursue any and all remedies available in law, equity, and under this Agreement.

25.2 If the Town materially defaults in its obligations under this Agreement and fails to cure the same within five (5) days after the date the Town receives written notice of the default from the Contractor, then the Contractor shall have the right to immediately terminate this Agreement by delivering written notice to the Town. Upon any such termination, the Town shall pay the Contractor the full amount due and owing for all Services performed through the date of Agreement termination.

STRATEGIC PRIORITIES:

- ☐ Promote the City's Distinct Culture
- ☐ Update Regulatory Framework
- ☐ Redevelop and Revitalize Disadvantaged Communities

SYNOPSIS:

Requesting to approve Resolution No. 2025-3368, to amend the budget and a procurement for fire hydrant maintenance, repair, and replacement from R & M Service Solutions, LLC.

FISCAL/STAFFING STATEMENT:

A budget amendment in the amount of \$41,834 is needed to cover the total cost of fire hydrant maintenance, repair, and replacement in the total amount of \$240,609. Funds are available in the Utility Water Capital account.

BACKGROUND:

The City's fire hydrant assessment and maintenance program is an essential part of good distribution system management. Few things can harm a utility's reputation and limit the Fire Department's ability to extinguish fires so quickly as a fire hydrant that does not work in an emergency. Annual system-wide hydrant maintenance not only ensures that hydrants function as they should, but it also helps improve the utility's Insurance Services Organization (ISO) rating. Annual hydrant maintenance can also play a vital part in maintaining water quality when incorporated into an organized flushing program.

R & M Service Solutions is a leader in water distribution system repair and maintenance. Armed with expertise, equipment, and a skilled team ready to serve utility departments for their hydrant, valve Global Positioning System, Geographic Information System programs and pipe diagnostics.

The City has engaged R&M Service Solutions, LLC, under a piggyback agreement (#24/25-222) which piggyback a competitively procured contract entered by the Town of Longboat Key

LEGAL REVIEW:

The Assistant City Attorney has reviewed the proposed actions and has no legal objections.
