SYNOPSIS:

Requesting to approve Resolution No. 2025-3401, approving the hourly charge to business owners and individuals for police officers outside services (off duty detail).

FISCAL/STAFFING STATEMENT:

The approval of Resolution No. 2025-3401 will eliminate the financial impact of the increase approved in the union contract with police officers and sergeants for off duty details.

BACKGROUND:

The City receives numerous requests from local businesses, churches, organizations and individuals to provide law enforcement services at events or at business locations. The Police Department coordinates the requests, and its personnel sign up to provide this service to desired users. Currently, the City charges \$47.50 per hour, which covers the hourly personnel cost to the City of \$40 per hour plus benefits regarding the law enforcement officers performing regular off duty detail and the City's recovery of reasonable administration costs for providing this service and \$69 per hour for off duty details performed on holidays.

The newly negotiated police officer and sergeant union contract increases the payment to officers effective October 1, 2025, from \$40 per hour to \$50 per hour for regular details and \$60 per hour from \$65 per hour for detail performed on holidays. To ensure that the City continues to recover payments to employees and a reasonable administrative cost, the proposed resolution provides for an increase for the users of off duty detail services from \$47.50 per hour to \$60 per hour for regular details and \$69 per hour to \$71 per hour for details performed on holidays.

The new union contract also permits a new level of payment to supervisors for regular off duty details of \$55 per hour and of \$65 per hour for details performed on holidays and, thus, the proposed resolution provides for supervisor rates of \$65 and \$77.

The union contract also guarantees officers that are assigned to an off duty detail a minimum of four hours of this additional pay for each assignment and, thus, the proposed resolution provides users of off duty details to pay a minimum of four hours to use this service.

LEGAL REVIEW:

The City Attorney has assisted in this matter and has no legal objections to the proposed action.

RECOMMENDATION:
