CODE ENFORCEMENT LIEN AMNESTY PROGRAM APPLICATION

INSTRUCTIONS: Applications for the Code Enforcement Lien Amnesty program will be accepted between January 1, 2026, and December 31, 2030, by the Development Services Department. Applications are available at City Hall or online at www.sanfordfl.gov. Please fill out this form completely and return it with the required \$250 non-refundable application fee either in person to: **City of Sanford, Development Services Department, 300 N. Park Avenue, Sanford FL 32771** or by mail to: **City of Sanford, Development Services Department, P.O. Box 1788, Sanford FL 32772.**

All properties within the City of Sanford seeking a lien reduction shall be in compliance and have no outstanding code violations at the time of the application. If all conditions of the Code Enforcement Lien Amnesty program are met, the amount of the lien will be based on the date of the application and shall be reduced 50% or no more than the maximum payment of \$7,500.00. There is also a \$500.00 administration fee. The \$250.00 application fee will be credited to the lien payment. The reduced lien shall be paid in full within 30 days from the date of approval by cashier's check or money order **only** and **made payable to the "City of Sanford"**. If the reduced amount is not paid within 30 days from the date of approval, the lien amount will revert back to the original lien amount and the application fee will be forfeited. Commercial and residential properties are eligible to participate in the program. Property owners with Code Enforcement liens on multiple properties must apply for a reduction on each property simultaneously under the program. Special Assessment liens or payments due for code enforcement abatement actions, such as lot mowing, debris removal or demolition are not eligible for the amnesty program, however, these must be paid in full for any property requesting a code enforcement lien reduction.* Utility liens are not eligible for the amnesty program.

For more information regarding eligibility or about the program, please contact Code Enforcement at (407) 688-5163.

Please allow up to two (2) weeks for processing the application. Incomplete applications will not be processed and will be returned to the applicant
